In general interest:

- In order to ensure that the procedures in the rings and in the outdoor area are not disturbed, we ask you to keep your dogs on a leash on the showground.
In the back of the sports ground, we will provide an area where your dogs can run and romp freely. Near the sports ground you will find several opportunities for a walk.
- **On the exhibition grounds and on the hotel grounds trash bins are set up in which you please dispose the excrements of your dog.**
Therefore, we are a welcomed guest in the coming year as well!
- According to VDH Exhibition Regulations § 4 (5) **bitches in heat may be presented on official dog shows.**
Out of consideration to the male dogs, we ask you not to bring bitches in heat on the exhibition site! If your female gets in heat unexpectedly, we will refund the registration fee.
Thank you for your understanding!

We are looking forward to an active participation of numerous Doezenfriends from home and abroad and hope for good weather!
